

Full Paper/Extended Abstract Formatting Instructions for NERCCS 2018

- Page size should be US Letter size (8.5 x 11 inches).
- Write your manuscript in English.
- All margins (left, right, top and bottom) should be 1 inch (2.54 cm).
- Do not include page numbers, headers, footers, or footnotes.
- Use a single column layout, with both left and right margins justified.
- Include a title, a list of authors and their affiliations, and an abstract (no more than 200 words) at the top of the first page. Only the title should be in bold face. Center the title, authors, and affiliations.
- Single space your text.
- Use 12-point Times, or the closest comparable font available (this applies to the entire manuscript, including the title, authors/affiliations, abstract, section headings, figure/table captions, and references).
- Section headings should be used in full papers. Use bold face for headings and number them (e.g., “**1. Introduction**”).
- Figures and tables are allowed in both full papers and extended abstracts. They should be numbered and referred to from the text. Add captions to all the figures and tables.
- Color figures may be used.
- References should be included in full papers. References should be referred to from the text using numerical labels in brackets (i.e., “[1]”). References should be sorted in the order they appear in the text.
- Page limit is 8 pages for full papers, or 1 page for extended abstracts (including figures, tables and references).
- Submit your manuscript, including tables, figures, appendices, etc., as a single PDF file.
